As per the direction of Ministry of Tribal Affairs, Govt. Of India, NATIONAL FELLOWSHIP FOR HIGHER EDUCATION FOR ST STUDENTS (EARSTWHILE RGNF(ST)) has to be migrated from Branch based system to University based system From 01.10.18.

1. Canara Bank branches will not accept certificates from the students/scholars from 01.10.2018 onwards. The maximum period of certificates to be accepted by the branches will be 30th June 2018. After 30th September, 2018, Canara Bank branches will not accept any certificate from any students/scholar for any period including previous periods.

2. After 30th September, 2018 scholars have to approach their own university/college/institution for updating all the details as required for releasing the fellowships/scholarships.

3. The students/scholar will approach the university/college/institution and the university/college/institution will search the details of the candidates by using the candidate ID. As a one-time activity, university/college/institution will link the student to the concerned university/college/institution using a specific option as provided in the portal. While linking the particular students/scholars, university/college/institution will undertake the continuation details up to 30th June, 2018 for the existing candidates whose commencement date of scholarship is before 30th June.

4. For an existing candidate who is availing scholarship/fellowship through Canara Bank branches, the account number and IFSC code will be already available in the portal. For a new candidate who is yet to avail the fellowship, the university/college/institution should update the IFSC code and Account number of the candidate while linking the candidate details.

5. The payment will be made after the data is updated by the Universities/institutions and approved by the Ministry of tribal affairs.

In view of the above, you are informed that from 01.10.2018 onwards you have to link all certificates (irrespective of period), of students.

Thanks & Regards

TEAM CANARA BANK
