UNIVERSITY

Transforming Education Transforming India

LPU THE HOST

LPU has an ultra-modern high-tech campus sprawling over more than 600 acres on the National Highway near by Jalandhar City. It is the largest single-campus University in India, with more than 30,000 students worldwide, 3500 faculty and staff, offering more than 200 programs. The University is recognized by University Grants Commission (UGC) and is a member of the Association of Indian Universities (AIU).

ABOUT THE SCHOOL

School of Law was established at Lovely Professional University in the year 2014. The school has created a competitive and research friendly environment, while offering intellectual challenges and facilitating it with modern infrastructure. The school is offering 5 years of BA LLB, BBA LLB, and 3 years LLB Programme. Apart from this, the School of Law also offers one-year LLM Course with different specializations. Most importantly, the school is offering both regular & part time Ph. D study programs. The school focuses mainly on the quality education being offered to the students and hence has recruited highly competent faculty.

ABOUT THE CONFERENCE

Persecution, injustice, and abuse continue to plague the modern civilization. Building effective, accountable, and inclusive institutions at all levels is imperative to promote peaceful, just and inclusive societies for sustainable development. Every democratic society also needs compassion, a solid moral compass and commitment to ensure peace everywhere. School of Law, Lovely Professional University, Punjab, India, is organizing a One-day International Virtual Conference on REVITALIZING SOCIAL INSTITUTIONS FOR PEACE, JUSTICE, and ENVIRONMENTAL PROTECTION on 26th March, 2022. The conference aims to bring together leading academicians, students, research scholars, advocates, judges, NGOs, journalists and social activists to exchange ideas and share their experiences and research results on a premier interdisciplinary platform. The learning objectives of the conference are:

- to identify legal issues and gaps in legal mandate
- to analyse the implementation of law and policy in society
- to explore contemporary policy narratives and practices
- to evaluate the role of voluntary organisations and social activists

MAIN THEMES OF THE CONFERENCE

- Evaluating the role of International and National Institutions in ensuring peace, justice, and inclusion
- Governance, transparency and justice
- Evaluation of policies at national and international level to create transparency, Accountability and engagement during times of crisis
- Transforming governance through inclusive processes and the whole society
- The gender dimension of problem: Lessons learned and implications
- Global warming and natural disaster
- Environmental injustice and climate change
- Identifying Socio- economic inclusion
- Impact of climate change on vulnerable sections of society
- Water management problems and challenges
- Water high risk factors
- Climate change and developing world
- Accelerating the implementation of sustainable development goals
