FACTS:-

That on 01.08.2023 *DaVille Studio* (OP-1) and *Hippodrome* (OP-2) filed an application under Section 46 of the *Antitrust Act, 2002* read with Regulation 5 of the *Antitrust Commission of Republic of Frenchlands Bardmica (Lesser Penalty) Regulations, 2009*. That aforesaid OP's were already held for alleged cartelization in relation to the developing, marketing and price fixing of hotel facilities in *Republic of Frenchlands Bardmica* by the *World Federation of Hospitality and Tourism*.

That the *Antitrust Commission of Republic of Frenchlands Bardmica* noted that there appears to exist collusion amongst OP-1 and OP-2 i.e. *DaVille Studio* and *Hippodrome* from the disclosures made in the lesser penalty application, alongwith *The Tangiers* (OP-3) and *Willie's Stripster* (OP-4) to align the prices of hotels and to seek/implement price adjustment in several provinces of *Republic of Frenchlands Bardmica*.

That aim of the aforesaid OPs appears to be to ensure consistency in their pricing policies, in particulars, price increases and to achieve this aim, OP-1 to OP-4 appears to have co-ordinated by way of series of multilateral and bilateral meetings and e-mail exchanges amongst themselves as well as through the common platform of the *All Republic of Frenchlands Bardmica Federation of Hospitality and Tourism* (OP-5).

Noting the above facts and circumstances, *Antitrust Commission of Republic of Frenchlands Bardmica* forming an opinion that prima facie, the conduct of the aforesaid OPs appears to be n contravention of the provisions of Section 3(1) read with Section 3(3) of the *Antitrust Act, 2002* and consequently passed an order dated 15.08.2023 under Section 26 (1) of the *Antitrust Act, 2002* directing the Director General (DG) to cause an investigation into the present matter and submit a report at earliest. While passing the order dated 15.08.2023 the *Antitrust Commission of Republic of Frenchlands Bardmica* also noted that the period of co-ordination between OPs to be 1st July, 2020 till 31st December, 2022 i.e. a period of pandemic.

That DG conducted an investigation as per the order dated 15.08.2023 passed by the *Antitrust Commission of Republic of Frenchlands Bardmica* and during the investigation on 20.08.2023 search and seizure operations on the premises of the OPs conducted. That in pursuant to order dated 15.08.2023, the DG submitted the final report of its investigation to the *Antitrust Commission of Republic of Frenchlands Bardmica*. In the final report DG observed that every step to enter or carried out the business of hostel falls within the ambit of List II of the Seventh Schedule of the Constitution of *Republic of Frenchlands Bardmica* i.e. the State List. It was also observed in the final report that services of hostel fall within the ambit of the Good and Service Tax. That on the basis of evidences collected during search and seizure operations, including statements on oath of OPs management persons, replies received to the notices under Section 41(2) read with Section 36(2) of the *Antitrust Act, 2002* information collected from the public domain, DG concluded that OPs indulged in the exchange of vital information to influence the market by creating cartel. The DG also finds that OP-1 to OP-4 collectively approached the different Provinces Government of the *Republic of Frenchlands Bardmica* through OP-5 to get price fixing in different tenders notified by the *Department of Hospitality and Tourism* of different Provinces of the *Republic of Frenchlands Bardmica* and also for any other purposes too. Therefore, OPs have contravened the provisions of Section 3(3) (a) read with Section 3(1) of the *Antitrust Act, 2002*.

While concluding the investigation report as per the order dated 15.08.2023, DG also indentified the present top management of the OPs to be liable in terms of the provisions of Section 48(1) of the *Antitrust Act, 2002*.
